PROCEDURES:

- *This event is organized like a drive thru and is similar to our daily car rider pick up.*
- *There is one entrance and one exit. Cars are to enter on the Richmond Ave. side, and exit on the Winding Way side.*
- *When entering the driveway, stop at the first speed bump, where a school official will ask for your child's name and grade level.*
- *You will then be directed to one of the car rider lanes and a grade level teacher will check out the device to the student. You will also receive a packet of beginning of the year information for your review.*
- *If you have items that you still need to retrieve, or if you need to update any of your contact information, pull around to the side by the guidance office and school officials will be stationed there to assist you.*
- ***For the safety of our faculty and staff we are requesting that you stay in your car and wear a mask!***
